**Advanced Practitioner Urgent Treatment Emergency Department**

### **ADVANCED PRACTITIONER**

**Bolton NHS Foundation Trust is an integrated provider of acute, intermediate and community healthcare serving the population of Bolton. This provides us with an opportunity for our services to work closely with our partners in primary care and the local authority to ensure a seamless service for our patients.**

**The Acute Adult Care Division is one of four Clinical Divisions in the Trust that includes Emergency Care, Complex Care and Specialist Medicine. The Division contains the busiest single site Emergency Department in Greater Manchester and has inpatient wards providing acute medicine, rehabilitation and specialist medicine services. It provides a range of specialist out-patient and community services and is committed to providing excellent clinical performance and patient care.**

**An exciting opportunity has arisen for an experienced Advanced Practitioner with an interest in Emergency medicine to work within our Emergency Department Urgent Treatment Centre. We have an excellent team of health care professionals in this already established area. The Urgent Treatment Centre sits within our Emergency department.**

**As an Advanced Practitioner you would be welcomed as part of the team to provide highly skilled clinical assessment, diagnosis and management of patients presenting in the Urgent Treatment centre. The successful candidate will be supported with continuing professional development and opportunity to work within the four**

**pillars of advanced practice. This role requires Non-medical Prescribing qualification.**

**Bolton Emergency Department is one of the busiest in the Northwest and we are dedicated to making our emergency care services the best in the country. The Trust is committed to safeguarding children, young people and vulnerable adults and requires all staff and volunteers to share this commitment.**

**Successful candidates will be subject to appropriate disclosure by the criminal records bureau**

**Please note that Bolton Hospital NHS Foundation Trust is a smoke free site, and therefore smoking will not be permitted anywhere within the grounds of the Trust.**
