

## Tier 2 Sponsorship

Applications from job seekers who require Tier 2 sponsorship to work in the UK are welcome and will be considered alongside all other applications.

However, non-EEA candidates may not be appointed to a post if a suitably qualified, experienced and skilled EU/EEA candidate is available to take up the post as the employing body is unlikely, in these circumstances, to satisfy the Resident Labour Market Test. The UK Border Agency requires employers to complete this test to show that no suitably qualified EEA or EU worker can fill the post. For further information please visit UK Border Agency website

Some posts do not satisfy the qualifications or salary requirement to qualify for Tier 2 sponsorship. Candidates wishing to apply who would require sponsorship can self-assess the likelihood of obtaining a Certificate of Sponsorship for the post from the UK Border Agency website.
