

Thank you for your interest in joining our Trust!

Being part of our team will mean joining 3000 colleagues delivering crucial services in local communities across Bedfordshire, Cambridgeshire, Luton, Milton Keynes, Norfolk, Peterborough, and Suffolk. Our single purpose is to provide outstanding care to these communities. We do this by ensuring people can receive care as close to their home as possible and live healthier lives.

We are rated 'Outstanding' by the Care Quality Commission and proud of the high-quality services and innovation that our teams and services provide.

There is one reason why our services are outstanding – and that's our amazing staff. Our workforce is richly diverse and our commitment to equality and inclusion runs through all we do. Our aim is that all of our teams reflect the diversity of the populations in which they work.

I am delighted that you are interested in joining us on our exciting journey as a leading-edge provider of specialist community health services. My commitment is to provide you with the leadership, training, and development you will need to thrive, achieve your aspirations, and improve the lives of those we care for.

Our incredibly positive staff survey results year on year speak for themselves and recognise the fantastic culture we have created with our staff. So if you share our passion for innovative and high-quality care delivery, then please do submit your application today and start the process to join our team.

Best wishes
