We offer exciting and rewarding career opportunities in a variety of fields such as nursing, psychiatry, counselling, pharmacy, accounting, IT, estates and facilities or workforce development and training.

As a smaller Trust, we offer our staff a close-knit, friendly working environment. Staff engagement, recognition and wellbeing are vital to the success of our organisation, and we strive to provide a setting in which our staff can showcase their skills, innovative solutions and dedication to healthcare.

If you have a passion for providing patient-centred healthcare and are a determined, forward thinking worker, we would love to hear from you!
