Additional Information

Code of Conduct

The post holder is required to comply with all relevant Code of Conducts for the role, including the Trusts Code of Conduct. All staff are required to support the Trust's commitment to developing and delivering excellent customer service by treating patients their carers, families, friends, visitors and staff with professionalism, dignity and respect. All staff are expected to behave in a professional manner and not to bring the Trust into disrepute.

Confidentiality and Data Protection Act

All NHS employees have a duty to maintain confidentiality under both common law and the Data Protection Act 2018. Service users and staff have a right to expect that any information, whether personal or commercial, held by the Trust will be treated in a confidential manner. All employees of Cornwall Partnership NHS Foundation Trust must not, without prior permission, disclose any information regarding patients or staff.

Safeguarding Children and Vulnerable Adults

All employees of Cornwall Partnership NHS Foundation Trust must be familiar with and adhere to the Trust's safeguarding policies and procedures.

Personal Development

All employees are required to undertake statutory and essential training as directed by the Trust. This will be monitored through the supervision and appraisal process which is in place for all staff to participate in.

Risk Management and Health and Safety

All employees of Cornwall Partnership NHS Foundation Trust are required to make positive efforts to maintain their own personal safety and that of others. You are reminded of your responsibilities for health and safety at work under the Health and Safety At Work Act 1974 as amended and associated legislation. These include the duty to take reasonable care for the health and safety of yourself and of others in your work activities or omissions, and to co-operate with your employer in the discharge of its statutory duties. It is also essential that precautions advised by Management, Occupational Health, Risk & Safety Services, etc. are adhered to for your own protection.

Infection Prevention and Control

All staff, collectively and individually, has a duty of care in following best practice in adherence to guidelines which is a fundamental requirement in underpinning the management of infection control.

Location/Mobility

In accordance with the Trust's requirements, all staff are required to undertake work and alternative duties as reasonably directed at variable locations in the event of, and for the duration of a significant internal incident, major incident or pandemic. You may be required to work at or from any additional location as determined by the Trust. You may also be required to travel between Trust premises for the performance of your duties.

Equal Opportunities

The aim of the Trust's policy is to ensure that no job applicant or employee is discriminated against either directly or indirectly on the grounds of race, creed, sex, marital status, disability, age, nationality, ethnic or national origins. The Trust commits itself to promote equal opportunities and will keep under review its policies, procedures and practices, to ensure that all users and providers of its services are treated according to their needs.

Review of the Job Description

This is a generic job description and is intended as an outline of the general area of activities. It may be amended in light of the changing needs of the organisation, in which case it will be reviewed.

Rehabilitation of Offenders Act

The Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 is applicable to this post. Therefore should you be offered the post it will be subject to a Disclosure & Barring Service check satisfactory to the Trust. You will therefore be required to declare all criminal convictions, cautions, reprimands and warnings that would not be filtered in line with current guidance

The Trust operates a no smoking policy. Employees are not permitted to smoke anywhere in the premises of the Trust or when outside on official business. Staff must be mindful of public perception and therefore must not smoke whilst travelling in Trust identified vehicles or when can be identified as a member of CFT staff.
