Additional Information

This job description is designed to help post-holders understand what is expected of them in their role though, please note, it focuses upon the core requirements of the post. Other related duties within the employee's skills and abilities will be expected whenever reasonably instructed. The job description may be amended in consultation with the post-holder within the scope and general level of responsibility associated with the post. It is the post-holder's responsibility to ensure that they adhere to all Trust policies, procedures and guidelines relating to their employment, regardless of their position.

A job description does not constitute a 'term and condition of employment'. It is provided only as a guide to assist the employee in the performance of their job. The Trust is a fast-moving organisation and therefore changes in employees' duties may be necessary from time to time.

Safeguarding

The Trust is committed to safeguarding children, young people, and adults at risk within its care. As an employee you are accountable to ensure that you know how to respond when you are concerned for the safety of a child, young person, or adult at risk. The Trust will support you in this process by providing training, support, and advice. There is a Corporate Safeguarding Team who can be contacted for guidance, support, and safeguarding supervision. For children and adults, you should be aware of your responsibilities detailed in UHS policies and procedures and local safeguarding children and adult boards procedures.

Mental Capacity Act 2005

All staff are required to ensure knowledge regarding the Mental Capacity Act 2005 (MCA) at a level deemed essential for their role. The level of training required will be specified to members of staff and is dependent on their role. It is important that staff understand and comply with local policies and procedures relating to MCA to ensure the Trust can act in an individual's best interest when providing care. This helps to ensure ongoing adherence to our legal obligations and ensuring we put the needs of our patients first.
